About M G Science Institute (Autonomous)

M G Science Institute, Ahmedabad: A Legacy of Excellence in Education

- M G Science Institute stands as a premier institution in the field of science education in Ahmedabad, Gujarat. Affiliated with Gujarat University, it is recognized as one of the oldest and most reputable science colleges in Western India. Established in 1946 under the inspiration of then Deputy Prime Minister Sardar Vallabhbhai Patel, the institute came into existence through significant donations from the Mafatlal Gagalbhai family and the Kasturbhai Lalbhai family, laying the foundation for its enduring legacy. The establishment of M G Science Institute marked a pivotal moment in India's educational landscape. Founded with the aim of promoting higher learning in science, the institution has consistently maintained a reputation for academic excellence. It was not only supported by notable families but was also associated with prominent leaders who recognized the importance of science education in India's development. As a college run by the Ahmedabad Education Society (AES), the institute is part of an esteemed educational network that manages other prominent colleges in Ahmedabad.
- M G Science Institute is spread over a lush, green campus that covers approximately 19.2 acres. The institute is renowned for providing quality education in science and offers a wide range of undergraduate (UG) and postgraduate (PG) programs. It remains the only science-focused college in the region to have successfully completed three cycles of accreditation by the National Assessment and Accreditation Council (NAAC), earning an 'A' grade in all evaluations. This achievement is a testament to the college's continuous commitment to enhancing educational quality.
- The building is a blend of heritage architecture and modern amenities. While the campus retains its historical charm, the facilities have been upgraded to meet contemporary needs. Classrooms are well-ventilated, ensuring a conducive learning environment, while laboratories are equipped with advanced instruments, allowing students to engage in practical, hands-on learning. The library has also embraced digitalization, offering a partially digitized collection that supports students in their academic pursuits.
- M G Science Institute has a notable history of contributing to India's scientific advancements. It was here that renowned scientists Vikram Sarabhai and Dr. K.R. Ramanathan conducted preliminary research that laid the groundwork for the Indian

Space Research Organisation (ISRO). The college's involvement with ISRO, before the organization had its own premises, highlights its significant role in shaping India's space research capabilities. This historical connection adds to the college's prestige, making it a distinguished cradle of scientific innovation.

- The teaching-learning outcomes are reflected in university results. More than 20 students from M G Science Institute consistently rank among the top 50 performers at the affiliated university, including securing the first rank in nearly every semester.
- The institute takes pride in its accomplished alumni network, which includes prominent industrialists, educationists, and scientists who have made significant contributions to various fields. Notable alumni include Shri Ganpatbhai Patel – industrialist and educationist (founder of Ganpat University), Dr. K.K. Patel – Vice President of Nirma University, Shri Dashrathbhai – industrialist and businessman, Dr. Rustom Mody – Vice President of Sun Pharma, Dr. Bhavini Shah – co-founder of Neuberger-Genopath Lab, Late Shri Shankarbhai Patel – industrialist, and many more.
- The college's faculty is equally impressive, with 80% holding doctorate degrees, underscoring their expertise and dedication to delivering high-quality education. Many faculty members are also Ph.D. guides, actively contributing to research and mentoring the next generation of scientists.
- M G Science Institute offers a broad array of academic programs, including 11 undergraduate science programs and 3 postgraduate programs. The curriculum is designed to foster a deep understanding of scientific principles while encouraging innovation and research. The combination of rigorous coursework, practical laboratory experience, and a supportive academic environment makes it a preferred choice for science students in Gujarat.
- The institute is the recipient of multiple government grants, including DBT Star College, UGC-CPE, FIST, RUSA 1.0, RUSA 2.0, and PM-USHA.
- Despite being one of the oldest institutions in the region, M G Science Institute continues to modernize its infrastructure and teaching methods to keep pace with evolving academic demands. Classrooms, laboratories, and other facilities are regularly updated to meet modern educational standards. The institute is also equipped with digital resources that enhance the learning experience.

- Since June 2024, the institute has been conferred autonomy by the UGC. Its ability to balance the preservation of its rich heritage with a commitment to modernization ensures its continued relevance and appeal to future generations.

In addition, a student belonging to the SEBC category must also submit a certificate of non-inclusion in the creamy layer, issued by the competent authority of the Government of Gujarat.

5.3 No Caste Certificate shall be considered valid unless it is duly stamped, signed, and issued by an authority empowered by the Government of Gujarat.

5.4 No certificate of non-inclusion in the creamy layer shall be considered valid unless it is duly stamped, signed, and issued by an authority empowered by the Government of Gujarat. This certificate, issued by the competent authority, shall remain valid for a period of three years from the date of issue.

5.5 If a student fails to submit the required certificates within the stipulated time, his or her admission shall be considered under the unreserved or respective category in the subsequent admission round.

5.6 The admission of a student from a reserved category on a reserved seat shall be valid

on the subject to the verification of caste certificate by the authority empowered by the Admission Committee of MGSI. In case the caste certificate is found invalid on verification, he/she shall not have the right to claim his/her admission on a reserved seat and if he/she has already been granted admission, such admission shall be canceled. Admission of such students may be continued in case of availability of vacant unreserved seats, subject to the condition of eligibility of merit.

5.7 After granting admission to all the students of reserved categories on respective reserved seats, the remaining vacant category seats of Scheduled Caste (SC) shall be transferred to Scheduled Tribe (ST) and similarly the remaining vacant seat of Scheduled Tribe (ST) shall be transferred to Scheduled Caste (SC) by the Admission Committee after having obtained sanction from the competent authority of the MGSI.

5.8 After granting admission to all the students of EWS category, on respective reserved seats, the remaining vacant reserved category seats of female students (EWS category) shall be transferred to male students (EWS category) by the admission committee after having obtained sanction from the competent authority of the MGSI.

5.9 After granting admission to all the students as mentioned in 5.7 above, the remaining category vacant seats (if any) shall be transferred to the unreserved category seats after having obtained sanction from the competent authority of the MGSI.

Reservation for Physically Disabled Students

Five percent (5%) of the available seats in each category shall be reserved for persons with disabilities, in accordance with the provisions of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 (1 of 1996), provided the candidate is capable of performing academic activities in the respective programme.

A student with a disability must submit a disability certificate issued and duly signed by the Civil Surgeon.

Explanation: “Person with Disability” means a person suffering from not less than 40 % of any disability as certified by a competent medical authority.

6. Supernumerary Seats

Two percent (2%) supernumerary seats shall be allotted to students who have achievements in NSS, NCC, Sports, or Cultural activities at the State or National level. The merit list of the students, who have applied for admission in the manner prescribed by the Admission Committee, within the prescribed time limit and who are found eligible for admission under these rules, shall be prepared in the following manner, namely –

- For the student who has passed the qualifying examination from any of the Boards mentioned in the 4.1, the percentage of marks up to four decimal points obtained in the external theory shall be the merit marks.

In case of a tie in merit marks, the following criteria shall be used in sequence to determine the merit order:

1. Aggregate marks obtained in the qualifying examination
2. Marks obtained in the English subject in the qualifying examination
3. Aggregate marks of the SSC Examination or equivalent examination
4. Date of birth (preference will be given to the older candidate)

For students other than Gujarat Secondary and Higher Secondary Education Board, Gandhinagar. The Boards/Universities that have issued the mark sheets with theory and practical as well as external and internal (if any) marks must produce certificates issued by the School/Board/University that clearly indicate the classification of theory and practical (and external – internal if any) marks otherwise their registration form will not be accepted. The merit list will be strictly on external theory marks only. A student whose mark sheet includes CGPA/Grade only and does not include marks/percentage has to produce an equivalent certificate issued by the School/Board showing the conversion of Grade/CGPA into marks or percentage, otherwise, he/she will not be eligible for the admission process.

If the mark sheet indicates the combined marks of theory and practical, a student has to produce a certificate from the school principal indicating the bifurcation of practical and theory marks separately, otherwise forms cannot be verified.

9. Correction of Marks

In case of change in marks of a student in the qualifying examination, such students shall produce a letter to that effect by the competent authority or the corrected mark sheet issued by the Board, before the Admission Committee. This must be done at least one day prior to the commencement of the admission process but no later than seven days from the date of receipt of the revised marks. I am fully aware of the penal and administrative action that is liable to be taken against me in case I am found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

I hereby solemnly aver and undertake that I will not indulge in any behavior or act that may be constituted as ragging under the Regulations. I will not participate in or abet or propagate through any act of commission that may be constituted as ragging under the Regulations.

I hereby affirm that, if found guilty of ragging, I am liable for punishment according to the Regulations, without prejudice to any other criminal action that may be taken against me under any penal law or any law for the time being in force.

I hereby declare that I have not been expelled or debarred from admission in any institution in the country on account of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case the declaration is found to be untrue, I am aware that my admission is liable to be cancelled.
